Committee adjourned at 9:30 a.m.

Phase II ideas from staff-

- key fobs for the main doors when they are locked (se entrance and science wings)
- consider moving kindergarten room back to where it was, move lounge to Jean Ts room, move Jean T back to elementary row
- if art room is moving, put kitchen in the old art room
- Enhance new gym lobby, concession stands, bathrooms, entry way, get rid of box office area
- build a nice field house and playground at the sports complex
- a lot of useful space in District office being underutilized as a walk way- add a hallway door to the room which was intended to be a meeting room, donna could be in open space and still be able to lock doors to her space
- awning for new gym lobby entrance
- bathrooms by playground doors
- get rid of modhouse- old artroom or shoproom can be used for those activities
- divide shop in commons area, put in work spaces, boost up, iep, makerspace, reading with grandmas, tv set room etc...
- flooring in hallways/classrooms
- paint everything
- decorate staff lounge/tv/couch/pop machine
- Matching shelving in library
- training room
- Mirrors
- wash station by lunchroom
- new hoops in old gym
- replace showers in locker oom
- storage for posters/bigger items/bulletin board items
- more shelving or cabinetry especially in lower elementary
- Air conditioning for bus garage
